

Camino del Canal de High Line
Saturday, March 28, 9:00 a.m.

Trailhead parking is north of Orchard Road about 750 ft east of where Orchard ends and turns north on South Jackson Street. Note the red arrow on the map below. East Orchard Road does some strange things in this area – it's discontinuous. The path we'll take is the High Line from Orchard to the Goodson Rec Center (yellow dots below). We'll return on a more direct path (red dots). Total is about 6 ¼ miles.
