

LITTLETON, COLORADO

High Line Canal walk, South Broadway in Littleton
Saturday, September 12, 2020, 9:00 am

Join the Colorado Front Range Chapter for a walk on the High Line Canal in Littleton — one of the three walks we're offering on September 12th. We'll take advantage of the route staying close to Broadway in order to take the Broadway "0" bus from Broadway and County Line Road back to the origin to make a one-way walk.

Parking is available behind McDonald Hyundai (but read the signs) and the canal path is reached a block north. We'll walk south and west (upstream) to McLellan Reservoir (just before the C-470 crossing) where we'll take a short jog eastward over to Broadway on the Centennial Trail. The total distance will be 6.5 miles although there will be several "bailout" points where the Canal crosses or comes close to Broadway. From the end we'll take the Broadway bus (the "0", \$3.00 full fare, \$1.50 seniors 65+, exact change, runs every 30 minutes on Saturday) back to the starting point (Panama Drive).

McDonald Hyundai
6500 South Broadway
Littleton CO

The details of the trailhead and the route are below.

Due to COVID restrictions, **we are requiring an RSVP to join this walk**, so as to limit the group size to 10. Contact the chapter at

ColoradoFrontRange@americanpilgrims.org giving us:

"Broadway Littleton"

your name

how many people you're requesting for
and a telephone number.

This will be a rain, snow or shine event — snow?! Cancellation will be posted on the Chapter's page and in an e-mail sent out the day before to those signed up. We haven't assigned the day-of-event contact yet. Hope to see you there!
