

Federation Albergues Available for Volunteer Hospitaleros

Please be aware that Covid protocols and procedures will likely have affected pilgrim life and hospitalero duties in all albergues and are always changing. Albergues listed below that have provided kitchen facilities or communal meals in the past may have suspended them. Also, be sure to confirm with Manuel (Federation) or another person who assigned your placement any specific vaccination and testing requirements for serving at an albergue when you receive an assignment. Your flexibility is critical!

Please note that unless otherwise specified, the albergues listed require a commitment of a *quincena*, either the first 15 days of the month or the last 15/16 days of the month, arriving on site one day before the *quincena*.

Federación Española de Asociaciones de Amigos del Camino de Santiago (The Federation)

The Federation staffs albergues on four different Caminos. Hospitaleros must have completed an approved training course such as the one offered by American Pilgrims.

To apply to serve at a Federation supported albergue: Email your application to Daniel De Kay at hospitaleros@americanpilgrims.org. American Pilgrims does not select or place applicants. We will forward your application to the Federation.
